

Chewton Glen is a five-star privately-owned luxury hotel, spa and country club situated on the edge of the ancient New Forest and a short walk from the sea on the Dorset/Hampshire border. Featuring an award-winning restaurant, world-class leisure activities and luxurious accommodation, Chewton Glen is the perfect destination for those who enjoy excellent cuisine in a perfect setting.

From your table in the Marryat Restaurant you can enjoy beautiful views over the 130 acres of private gardens and parkland that surrounds the hotel, whilst enjoying a wide variety of dining experiences. From our excellent value three-course lunch, with its selection of traditional British dishes to the fabulous three-course dinner menu, which also includes a selection of canapés, amuse-bouche, coffee and home-made chocolates. Our five-course Menu Gourmand is a true delight to enjoy and those who prefer a lighter dining option will not be disappointed with our healthy options and dedicated vegetarian menus.

Morning coffee, light snacks and afternoon tea can be taken in the Elphinstone Lounge or on the Terrace, weather permitting and a delightful buffet lunch is served in the Pool Bar Lounge to guests who prefer an informal lunch.

Whatever your choice, we look forward to welcoming you to Chewton Glen as members of the Chewton Glen Dining Club.
